

Payment Terms for APPLI AI LLC

Effective Date: 3/31/2025

Last Updated: 3/31/2025

These Payment Terms govern all payments made in connection with the use of APPLI AI LLC, doing business as APPLI (the "App") provided by APPLI ("we," "us," or "our"). By making a payment through the App, you agree to be bound by these Payment Terms.

1. Billing and Payments

A) Pricing and Fees:

All fees for using the App, including subscription fees and in-app purchases, are outlined in the App and are subject to change at our discretion. You will be charged at the rate displayed at purchase or subscription renewal.

B) Payment Methods:

Payments may be made using the payment methods accepted in the App, such as credit cards, debit cards, or third-party payment processors (e.g., Apple Pay, Google Pay). You authorize APPLI to charge your chosen payment method for all applicable fees.

C) Currency:

All payments will be processed in USD, unless otherwise indicated.

2. Subscription Plans

A) Subscription Options

The App may offer various subscription plans (e.g., monthly, yearly) with different fees and features. Details of each plan are available in the app. Your subscription will commence as soon as your payment is successfully processed.

B) Automatic Renewal

Subscriptions automatically renew at the end of each billing period unless canceled before the renewal date. By subscribing, you authorize APPLI to charge your payment method on a recurring basis at the then-current subscription rate until you cancel.

C) Managing Your Subscription

You can view, manage, or cancel your subscription in your account settings or through the platform where you purchased the subscription (e.g., App Store, Google Play Store).

Cancellations will take effect at the end of the current billing period, and you will continue to have access to the App's features until that time.

3. Trials and Promotions

We may offer free trials, discounts, or promotional pricing for certain subscription plans. Details of such promotions will be provided at the time of sign-up. Free trials automatically convert to paid subscriptions unless canceled before the end of the trial period. Promotional pricing may revert to standard pricing at the end of the promotional period.

4. Refund Policy

All fees are non-refundable, except as required by law. This includes any fees for unused portions of your subscription, regardless of whether you cancel your subscription before the end of the billing period. If you believe you were charged in error, please contact us within [insert time frame, e.g., 14 days] of the charge to request a review.

Note: Purchases made through third-party platforms (e.g., App Store, Google Play) are subject to the respective platform's refund policies, and requests should be directed to those platforms.

5. Failure to Pay

If we cannot process your payment at the time of billing due to issues with your payment method, we reserve the right to suspend or terminate your access to any paid features of the App until payment is successfully processed. You are responsible for any outstanding balance due to failed or incomplete payments.

6. Changes to Pricing and Payment Terms

We reserve the right to modify our pricing or payment terms at any time. Changes will be effective upon posting updated terms within the App. If you do not agree to the modified terms, you may cancel your subscription before the changes take effect.

7. Taxes

All fees exclude any taxes, duties, or other governmental charges (collectively, "Taxes") unless otherwise indicated. You are responsible for paying all applicable Taxes in connection with your purchase or use of the App.

8. Lifetime Subscription Termination

A lifetime subscription grants the subscriber access to the applicable services for the duration of their natural life or until the termination of the company, discontinuation of the service, or upon the subscriber's request to terminate the subscription, whichever occurs first. If the company ceases operations or the service is permanently discontinued, all lifetime subscriptions will be automatically terminated without refund or compensation.

9. Contact Information
